

WIND MEASURING TECHNOLOGY

Traverse short for Wind Transmitters Compact

Part number: 4.3171.4x.000
noDATA

Specification

Part number: 4.3171.4x.000

| Material | |
|----------------------------|-----------------------|
| Traverse | aluminium (AlMgSi0.5) |
| Gripping clamb | stainless steel |
| General | |
| Sensor distance horizontal | 0.4 m |
| Weight | 0.3 kg |
| Mounting | hole Ø 29 mm |

Versions

As per 4.3171.4x.000, but:

Product number 4.3171.40.000

| General | |
|----------|------------------------------|
| Mounting | at mast tube Ø 48 ... 102 mm |

Product number 4.3171.41.000

| General | |
|----------|-------------------------------|
| Mounting | at mast tube Ø 116 ... 200 mm |

Accessories

| Product | Product name | Brief description |
|---------|--------------|-------------------|
|---------|--------------|-------------------|

Lightning Rod
506351

for traverse 4.3171.30/31/40/41

General

| | |
|----------|--------------------------------|
| Height | 560 mm |
| Mounting | for traverse 4.317.30/31/40/41 |
| Material | steel, galvanised |
| Weight | 0.34 kg |
